TIPS TO HELP COMPLETE THE FOLLOWING WORKSHEETS

The information you enter on the Confidential Questionnaire, Expense Worksheet, and Debt Sheet will help us build an accurate picture of your financial situation. Entering accurate and complete information on these worksheets will provide your counselor with information regarding your financial concerns and goals, your household expenses, needs and wants, and your spending history. Filling out the forms as completely and accurately as possible will help us to help you.

CONFIDENTIAL QUESTIONNAIRE:

- Don't be bashful. Your honesty is essential if your present concerns are to be met. Your FISC counselor is a professional that deals with these issues on a daily basis.
- Financial strengths and weaknesses need to be honestly communicated so we may meet your financial concerns, identify spending patterns, and assist you in developing plans to meet your financial goals.
- Be certain to list your financial goals. Where do you want to go from here? What do you want to change in your financial life. Are there issues to resolve, better spending and savings habits to learn, future challenges to meet, and goals to reach? Write them down so you may discuss them with your counselor.

MONTHLY EXPENSE WORKSHEET:

- Round all figures to the nearest dollar as you enter them on the worksheets
- All entries should be in monthly amounts. Example: If groceries cost \$50 each week (50 x 4 wk.) enter \$200 as monthly amount. If gasoline fluctuates between \$20 to \$24 per week (\$24 x 4wk.) enter \$96 per month. If you spend \$300 each December for Christmas (\$300 divided by 12 months) enter \$25 per month. If car repairs and maintenance the past year totaled \$186 (divide by 12 months) enter \$16 per month to plan for this year.
- This worksheet will show the monthly cost of keeping your household afloat, and should also reflect costs of upcoming expenses. (List everything. Unplanned expenses easily become future debts!)
- All money normally spent by your household should be reflected on either the Monthly Expense Worksheet or the Debt Sheet.

DEBT SHEET:

- The only debts NOT listed on the Debt List are the Mortgage and Vehicle Loan. Both should already be listed on the Monthly Expense Worksheet and on the 2nd page under assets.
- Gather all current statements (bills) to provide the information you will need.
- List these same debts on your Debt Sheet, with the required monthly payment.

After completing the info-packet and worksheets, be certain to enclose:

Paycheck stubs or income statement, current statements, (bills), along with your last years tax forms, and payment for assessment fee. Mail or drop off all paper-work to FISC. Your counselor will review it to prepare for your appointment and financial assessment. Phone us to schedule your appointment.

We look forward to working with you!

AGREEMENT FOR SERVICES

I/We hereby authorize CCCS of Northeastern Wisconsin, a business conducted by FISC (CCCS), a non-profit agency, its employees, agents and volunteers to counsel and advise me/us on its money management and budgeting pertaining to my/our financial situation. Our counselors are trained and certified in accordance with the National Foundation for Credit Counseling (NFCC).

Client fees for the counseling program include \$25 which is submitted with the infopac. Another \$25 will be collected at the 1st appointment. If you believe you are unable to pay, a counselor will help you determine if the fee can be waived. If it is determined that a Debt Management Plan would be beneficial, \$25 of the original fee will be refunded. This counseling is available without regard to the client's ability to pay.

In addition to client fees this agency receives financial support from the United Way, Goodwill Industries of North Central Wisconsin, the community (corporate, professional, church and individual) and grantors. A portion of funding comes from voluntary contributions from creditors who participate in DMPs. Since creditors have a financial interest in having debts repaid, most are willing to make a contribution to help fund the overall services of the agency.

I/We hereby hold CCCS, its employees, agents and volunteers harmless from any claim, suit, action, or demand of my/our creditors, myself/ourselves or any other person arising out of or connected with said advice or counseling. Nothing herein shall apply to actions or claims under the provisions of the United States Bankruptcy Code, 11 U.S.C. 101 et seq.

Furthermore, I/we understand that bankruptcy is a legal matter and that CCCS does not give legal advice. If I/we are referred to an attorney by CCCS, I/we understand that this is only to obtain legal advice and not a recommendation to file bankruptcy. If I/we are referred to an attorney, I/we will contact CCCS, and inform CCCS of the outcome of the advice given.

In the event I/we have an FHA (HUD) mortgage, I/we hereby authorize CCCS, a non-profit agency, its employees, agents and volunteers to contact my/our mortgage company for the purpose of requesting our FHA Case Number.

I/WE hereby authorize CCCS, a non-profit agency, its employees, agents and volunteers:

1. To act for me/us in a plan to liquidate my/our financial obligations.
2. To communicate with my/our creditor(s), asset holder(s) and others for the purpose of obtaining information about my/our account(s), including, but not limited to verifying balances, payments, interest rates and late charges.
3. To provide my/our creditor(s), asset holder(s) and others with such information as is deemed necessary, in the sole discretion of CCCS, for my/our creditor(s), asset holder(s) and others to implement the plan, and providing my/our creditor(s) and others with my/our personal information, including but not limited to, home address(es), telephone number(s), employment information, income, assets and debts.
4. To make necessary arrangements with my/our creditors and others to aid in the solution of my/our financial problems.
5. To obtain a credit report from and/or to inform any credit reporting agency of my/our participation in the repayment plan. A Debt Management Plan may affect my credit report either favorably or unfavorably according to a creditor's policy with respect to a DMP and my payment history prior to and during my participation in a DMP.
6. To contact, cooperate and exchange information with any law enforcement, prosecuting agency or collection agency.

Further, I/we authorize any collection agency to release and continue to release, any and all information in its files to CCCS until I/we revoke authorization to the collection agency in writing.

I/We further agree:

1. To cooperate with present creditor(s) on my/our behalf until a repayment plan can be set up through CCCS and to perform my/our obligation as agreed upon in such a plan.
2. That CCCS has no responsibility or obligation for any past, present or future credit rating to the client by any of his or her creditors.
3. To hold CCCS, its employees, agents and volunteers harmless from any claim, suit action or demand of my/our creditor(s), myself/ourselves or any other person arising out of or connected with said establishment and implementation of such a plan. Nothing herein shall apply to actions or claims under the provisions of the United States Bankruptcy Code, 11 U.S.C. 101 et seq.

Pre-Bankruptcy Counseling Disclosure

Welcome! We understand that you are here because you are experiencing financial problems, and that you may be considering filing for bankruptcy and are required to receive "counseling" before you may file.

This agency has over 20 years of experience of helping people with financial problems. Our role is not to be judgmental, but to provide assistance. Specifically, we will do a budget analysis that will examine your financial situation, discuss the factors that may be the cause of your problems, and explore your options for developing a reasonable plan for dealing with them. We will provide you with information about bankruptcy, including its process and possible consequences. We will also consider alternatives to bankruptcy to resolve your problems. It is our view that the purpose of this session is to provide you with information so that YOU may chose the option that you think is best. At the conclusion of this session, you will be provided with a certificate that you will need should you decide to file for bankruptcy. The certificate is valid for up to 180 days from date of issue.

This agency is a member of the National Foundation for Credit Counseling ("NFCC"). The NFCC has high standards for quality credit counseling and financial education, and this agency complies with those standards. In addition, this agency is accredited by the Council on Accreditation ("COA"), an independent third-party organization that reviews and monitors entities that provide social services. We are a non-profit agency. We are organized and operate in accordance with Section 501(c)(3) of the Internal Revenue Code.

The consumer credit counselor conducting or supervising this session has been trained and certified in accordance with the NFCC standards, and while he/she has expertise in helping those with financial problems, he/she cannot provide you with legal advice. In fact, this session is designed to provide you with information and alternatives; it is not intended to take the place of a consultation with an attorney to explore your legal rights and options.

In order to assist you, it is essential that you provide us with information that is as accurate and complete as possible. For that reason, we may ask you to authorize us to access your credit history. Rest assured that the information concerning your financial condition and status that you provide during this session is strictly confidential. Such information would include, but is not limited to, income, debts, credit accounts, earnings, assets, and employment data. We will not disclose any such information that you provide orally or in writing to anyone, except as authorized by you in writing or as required by law, such as in response to a subpoena. We may compile data and aggregate information that you give us, but this information will not be disclosed in any manner that would personally identify you. This agency will not disclose or provide any information about this session to a credit reporting agency. If you should decide to declare bankruptcy it will remain on your credit report for up to 10 years. If you should decide to enter into a Debt Management Plan ("DMP") (which will be explained in the course of this session) you will be provided with separate agreement and disclosure forms.

To help cover the cost of providing this session to you, this agency charges a fee of up to \$50. In limited circumstances, you may be eligible to have this fee waived. Your counselor will help make that determination. This counseling is offered without regard to a debtor's ability to pay.

This agency also receives financial support from the United Way, Goodwill Industries of North Central Wisconsin, and grantors. A portion of funding for this agency comes from voluntary contributions from creditors who participate in DMPs. Since creditors have a financial interest in having debts repaid, most are willing to make a contribution to help fund the overall services of this agency. These contributions are usually calculated as a percentage of payments that are made through a DMP. Again, should you decide to enter into a DMP, you will receive specific information on how the plan works and how the agency is funded.

I have read and understand the disclosures made above.
